

# Viewsonic PJD8353s

VIEWSONIC PJD8353S

A brief introduction to the PJD8353s: The Viewsonic 3D BrilliantColor DLP projector offers 2600 Ansi lumens, a contrast of 15000:1 and an XGA 1024 x 768 resolution. Thanks to the lamp, the projector has a lamp life of up to 3500 hours, which is over 4.8 years if enjoyed for two hours a day. Thanks to the short-throw projection ratio of just 0.43:1, the projector does not stand still in the room. For a 2m wide image, the projector only needs to be 86 cm away from the screen. Even 1080P video signals are no problem for the projector. The model built in 2013 is no longer offered by Viewsonic.
