

Viewsonic PX701HDH

VIEWSONIC PX701HDH

The Viewsonic model PX701HDH is a DLP projector with HDTV 1920 x 1080 resolution and a contrast of 12000:1. The manufacturer Viewsonic specifies a lamp life of 20000 hours, which is equivalent to over 27.4 years at 2 hours per day. 3500 Ansi lumens ensure that a picture width of 601 cm is also possible. The projector manages rooms with residual light with a smaller image width, we recommend a maximum of 401 cm. Even 1080P video signals are no problem for the projector.
