

Vivibright PDX220ST

VIVIBRIGHT PDX220ST

The PDX220ST 3D DLP has 3000 Ansi lumens, a contrast of 2500:1 and an XGA 1024 x 768 resolution. The manufacturer specifies a lamp life of 5000 hours, which converts to over 6.8 years at 2 hours per day. As it is a short-throw projector, the projector can be placed very close to the wall. For a 2 m wide picture, the projector only needs to be 125 cm away from the screen. The projector can also play 1080P without any problems. The operating noise of just 30 decibels makes the projection quiet. On the market since 2013, the model is no longer offered by the manufacturer Vivibright.
