

Vivitek BW566

VIVITEK BW566

The Vivitek BW566 3D BrilliantColor DLP projector has 4000 Ansi lumens, a contrast of 30000:1 and a WXGA 1280 x 768 resolution. The lamp in the projector is specified with a lamp life of 10000 hours, which converts to over 13.7 years at 2 hours per day. The projector can illuminate an image width of up to 643 cm thanks to the 4000 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 429 cm. Playing 1080P and 3D is also no problem for the projector. This model is no longer offered by Vivitek.

Brief Introduction

Display Type

1 x 0,65" DLP Chip
WXGA 15/9 Ti Digital Light Processing Chip
