

Vivitek DH856

VIVITEK DH856

Brief Introduction

Beta 2.5

Manufacturer Vivitek offers the DH856, a DLP projector with HDTV 1920 x 1080 resolution and a contrast ratio of 15000:1. Thanks to horizontal and vertical keystone correction, the projector can be positioned very freely. The projector can illuminate a screen width of 704 cm well. The projector can handle rooms with residual light with a smaller image width; we would recommend a maximum of 469 cm here. The projector can also play 1080P and 3D without any problems.

1 x 0,65" DLP Chip
HDTV 16/9 Ti Digital Light Processing Chip
