Ceiling Mounting

The Vivitek model DX255 is a DLP projector with XGA 1024 x 768 resolution and a contrast of 10000:1. The manufacturer specifies a lamp life of 4500 hours, which is equivalent to over 6.2 years at 2 hours. An image width of up to 493 cm is possible as the projector has 3200 Ansi lumens. However, if room light is available, the picture should be max. 329 cm wide. Video signals 1080P and 3D are also no problem for the projector. The projector is very quiet compared to others with an operating noise of 30 decibels. The model built in 2016 is no longer offered by Vivitek.
