

Vivitek DX864

VIVITEK DX864

Brief Introduction

Beta 2.5

A brief introduction to the DX864: The Vivitek standard portable 3D DLP projector offers 3500 Ansi lumens, a contrast of 5000:1 and an XGA 1024 x 768 resolution. The manufacturer Vivitek specifies a service life of 3500 hours, which converts to over 4.8 years at 2 hours per day. The projector also offers an integrated media player that can be used to play files directly. The projector can illuminate images up to 515 cm wide thanks to its 3500 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 343 cm. The projector can also play 1080P without any problems. The projector was launched in 2014 and is no longer sold by the manufacturer.

1 x 0,55" DLP Chip
