- Stereo surround sound audio speakers for true entertainment immersion

(*)Wireless dongle required

The Qumi Q7 Lite is a feature-rich LED HD projector that delivers unrivalled multimedia capability in a portable format. Weighing in at just 1.4kg, and with a super-slim profile, Q7 is the ideal companion for the business traveller or home entertainment enthusiast. Q7 is compatible with a variety of devices including digital cameras, laptops, smart phones, tablets and more. HD picture quality, brightness of 700 ANSI Lumen and 30,000:1 contrast ratio guarantee a projected image of up to 107" (diagonal) and has comparative performance with a standard meeting room projector. Vivitek also offers a mobile remote control app specifically designed to turn any smartphone or tablet into a Qumi remote control.
