

Wolfgang WP02

WOLFGANG WP02

A brief introduction to the WP02: the Wolfgang Game-Portabel LED LCD projector offers 450 ANSI lumens, a contrast of 8000:1 and an HDTV 1280 x 720 resolution. The projectors LEDs have a lifespan of 30,000 hours, which is the equivalent of over 20.5 years at 4 hours a day. The horizontal and vertical keystone correction provides flexibility when setting up. Since Wolfgang specifies the brightness of the projector in lumens, we have calculated an approx. Ansi-Lumen value in this case. A picture width of up to 216 cm is possible because the projector has 450 Ansi-Lumen. However, if room light is present, the picture should be a maximum of 144 cm wide. The projector optionally has Airplay, Miracast Screen Mirroring support, which makes it possible to play videos in high resolution and surround sound from smartphones, tablets and PCs with Android, Windows or iOS directly via WLAN. Another extra to be mentioned is that the projector can be connected to external wireless speakers via the Bluetooth function. Furthermore, it is Full HD 1080P compatible.

Brief Introduction Beta 2.5

Display Type

1 x LCD TFT Panel
HDTV 16/9 Liquid Crystal Display

Ansi-Lumen

450 / 7500 Lumen
