

WOOPKER HY320

WOOPKER HY320

The portable game HY320 LED LCD projector from WOOPKER has 300 ANSI lumens, a contrast ratio of 10000:1 and an HDTV 1280 x 720 resolution. It is an LED projector with a 30,000-hour light lifespan, which is the equivalent of over 20.5 years at 4 hours a day. The projector is equipped with an integrated media player, so playing files directly will not be a problem. The brightness of 300 ANSI lumens makes it possible to achieve a picture width of 176 cm. In room light, the picture should be a maximum of 117 cm wide. Since the projector recognizes Airplay, Miracast Screen Mirroring signals, it is possible to play videos with high resolution and surround sound directly from a smartphone, tablet, PC (Android, Windows and iOS) via WLAN. In addition, the Bluetooth option is a useful addition to the projector, especially for wireless audio transmission. Furthermore, it is Full HD 1080P and 4K (compressed) compatible. With only 25 decibels of operating noise, the model is already very quiet compared to others.

Brief Introduction

Display Type

1 x LCD TFT Panel
HDTV 16/9 Liquid Crystal Display
