

# Yaber U11

YABER U11

A brief introduction to the Yaber U11. The LCD LED projector has an HDTV 1920 x 1080 resolution and a contrast of 20000:1. The manufacturer claims an LED service life of 30000 hours, which is over 20.5 years if enjoyed for four hours a day. The projector can illuminate a picture width of up to 216 cm well thanks to its 450 Ansi lumens. In room light, however, the picture width should ideally be less than 144 cm. In addition, the Bluetooth option is a useful addition to the projector, especially for wireless audio transmission. The model is also Full HD 1080P and 4K (compressed) compatible. It was launched in 2022 and is no longer offered by the manufacturer Yaber.

## Brief Introduction

Beta 2.5

## Display Type

1 x LCD TFT Panel  
HDTV 16/9 Liquid Crystal Display

## Ansi-Lumen

450

## Contrast

20000:1 full on/off

## Black Level

0,0225 min. Lumen

## Offset
