

# ZENTALITY K8

ZENTALITY K8

A quick look at the K8: The ZENTALITY Micro-Portable LED LCD Projector offers 1,200 ANSI lumens, a contrast ratio of 20,000:1, and an HDTV resolution of 1,920 x 1,080. It is an LED projector with a lamp life of 30,000 hours, which would equate to over 20.5 years at 4 hours of use per day. Horizontal and vertical keystone correction make image setup a breeze. With 1,200 ANSI lumens, the projector can display an image up to 269 cm wide. However, in a well-lit room, the image should be no wider than 179 cm. Google TV transforms the projector into a smart entertainment center with countless features. Since the projector supports AirPlay and Miracast screen mirroring, you can stream high-resolution videos with surround sound directly from a smartphone, tablet, or PC (Android, Windows, and iOS) via Wi-Fi. In addition, Bluetooth connectivity is a useful feature for the projector, especially for wireless audio transmission. Furthermore, the projector can play 1080p and 4K (compressed) content without any issues.

## Brief Introduction

Beta 2.5

## Display Type

1 x LCD Panel  
HDTV 16/9 Liquid Crystal Display

## Ansi-Lumen

1200

533 Lux (200 cm Screen width)

## Contrast
